Business Sourcing Events

Business Sourcing Events is a professional service Made-in-China.com provides. Every year, Made-in-China.com holds Business Sourcing Events in different industry sectors in different cities. During the last four years, Made-in-China.com successfully held Business Sourcing Events in Suzhou, Nanjing, Guangzhou, Qingdao and gained recognition from both buyers and suppliers who attended the events.

By attending Business Sourcing Events, buyers can
• meet and talk to pre-selected Chinese suppliers according to their requests
• get help from Buyer Service Specialist on site
• enjoy comfortable and relaxed setting
You will find reliable supplier with the Audited Suppliers logo

What are Audited Suppliers?
With thousands of Chinese supplier members on Made-in-China.com, one problem that many Buyers face is, being able to differentiate between suppliers. SGS, the world’s leading inspection, verification, testing and certification company, personally and individually tests and audits our Audited Suppliers to make sure they meet world class standards.

What is SGS Serial NO.?
SGS Serial NO. is used to verify the Audited Suppliers’ Audit Reports on www.sgs.com

Audit Reports provide buyers with critical facts concerning the Audited Supplier’s; such as business licenses and production capabilities and quality control systems. Audit Report let’s you compare suppliers to select the best. Audit Reports are produced by SGS, the world’s leading supplier certification company.

Together with SGS Group, Made-in-China.com has launched a new product "Audited Suppliers Verification". You can verify essential information for Audited Suppliers anywhere, anytime to choose the most suitable supplier.

Please visit the official website of the SGS Group, www.sgs.com.
Content: Essential information for all, on-site, Audited Suppliers.

To search for Audit Reports: the names of Audited Suppliers and the serial numbers of Audit Reports can be used.
Limit for exact matches only.
